

COCONUT

MG-1 Vol. 381

1213

UNITED STATES DEPARTMENT OF AGRICULTURE
BUREAU OF PLANT INDUSTRY
WASHINGTON

DIVISION OF
PLANT EXPLORATION AND INTRODUCTION

✓ August 10, 1937

Reginald V. Harris, K.C.,
The Law Courts Bldg.,
Spring Garden Road,
Halifax, Canada.

Dear Sir:

The fibrous material found on the shore of Oak Island,
Mahone Bay, has been examined by various experts in this Bureau
but unfortunately none of them can identify it nor do we know
anyone to recommend who might know what it is. It is unquestion-
ably the fibro-vascular bundle tissue of some plant.

Sincerely yours,

C. O. Erlanson
C. O. Erlanson,
Ecologist
